BNF3 WALLET

ASIA'S BLOCKCHAIN POWERHOUSE

After evaluating the crypto wants and needs of the APAC region, we created a Wallet specifically designed to offer unique, disruptive, solutions desired by more than 70% of the world's Crypto users.

- With our unique solutions we provide the only Continent-Wide Crypto to QR payments.
- First Crypto Debit Card issuer in emerging economies
- Play2Earn, non-gambling, adventures that grow traffic and offer special discounts when executing QR payments

REVENUE CHANNELS

- Revenues from GameFi, Swaps, On/Off Ramping will be evenly split between Token Holders
- QR Payments and Card Transactions will yield 40% of fee to Token Holders

| Product | Market Volume | Fee | BNF3 Estimate |
|-------------------|----------------|------------|----------------|
| QR Payments | Trillion\$ 10 | \$0.3 + 1% | Million\$ 26 |
| On/Off Ramps | Million\$ 455 | 2% - 4% | Million\$ 1 |
| Swaps | Million\$ 250 | 0.1 - 0.3% | Million\$ 0.07 |
| Debit Crypto Card | Billion\$ 13 | 0.2 - 2% | Million\$ 8 |
| GameFi | Billion\$ 24.5 | - | Million\$ 5 |

*"BNF3 Estimate" is the Estimated Revenue after year 1.

THE BNF3 CATALYST

BNF3 Wallet is set to revolutionize the landscape of Crypto and QR payments by becoming the go-to solution for gamers and Crypto enthusiasts alike. Our innovative approach awards exclusive boosts and special gifts in games whenever users execute Wallet-to-Wallet (W2W) and Wallet-to-QR (W2QR) transactions.

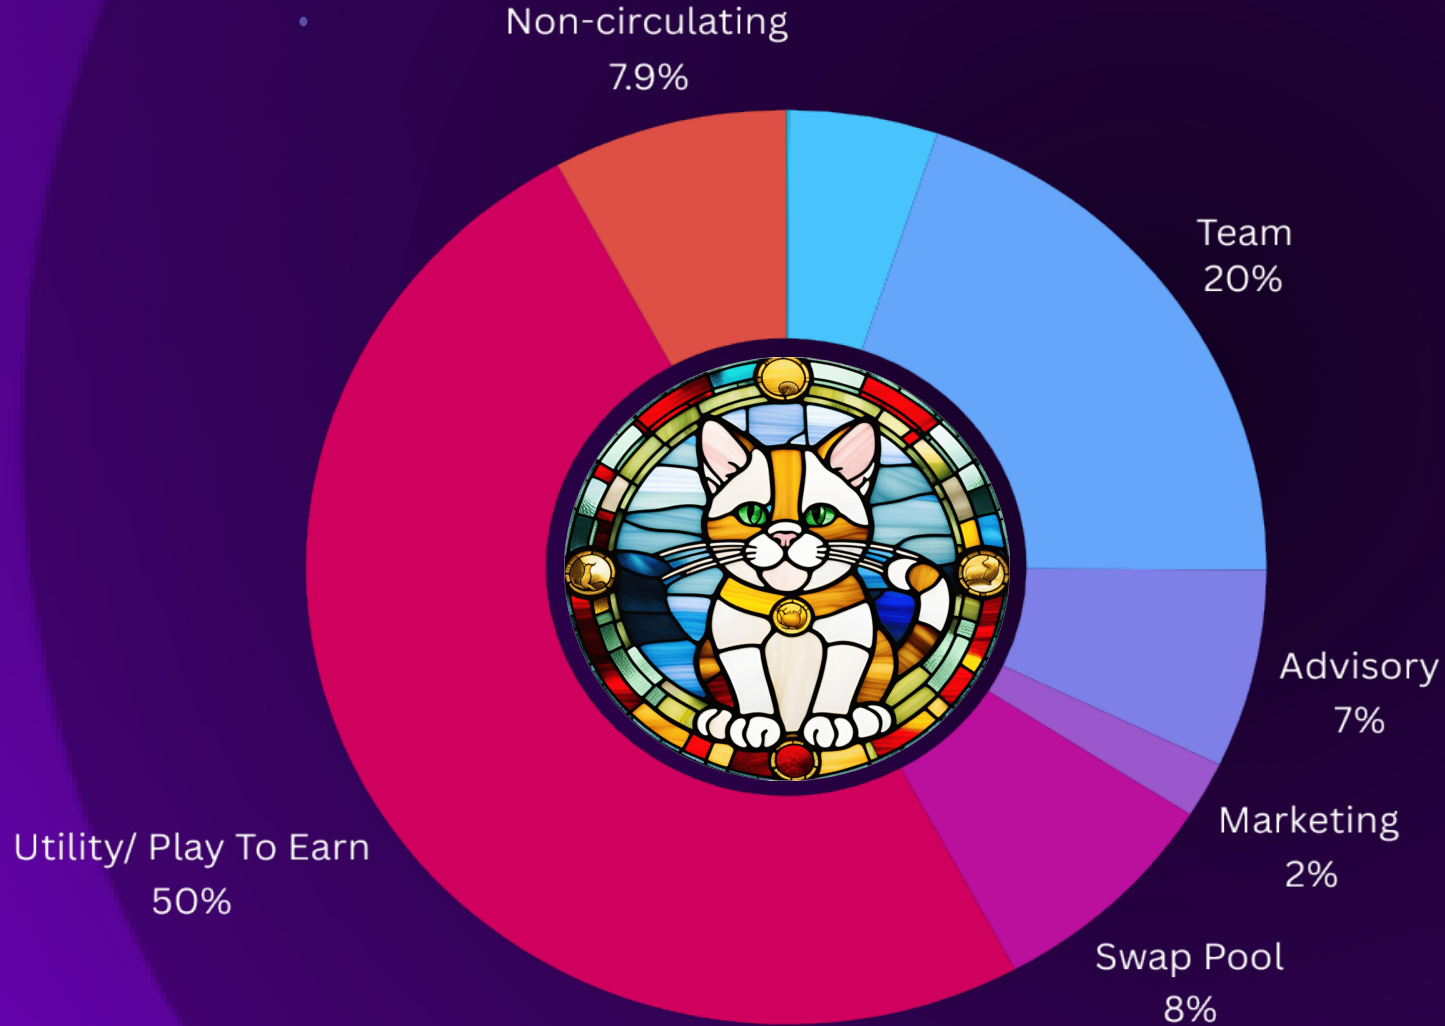

By seamlessly embedding Crypto tokens within popular games, BNF3 Wallet captivates a vast and dedicated audience. This strategic integration drives the demand for our tokens, creating a robust ecosystem where gamers and Crypto users are deeply engaged and invested in the platform's success. The captivating rewards and benefits offered through BNF3 Wallet ensure that users remain active and loyal, contributing to a vibrant and growing community.

Our vision extends beyond just transactions; it's about creating an immersive and rewarding experience for our users. The synergy between gaming and Crypto transactions fosters an environment where users are constantly engaged, leading to sustained growth and innovation. With BNF3 Wallet, we're not just offering a payment solution; we're building a dynamic and interactive ecosystem that redefines the way people interact with digital assets.

By prioritizing user experience and leveraging the power of gaming, BNF3 Wallet is poised to become the preferred choice for Crypto and QR payments, setting new standards in the industry and driving forward the future of digital transactions.
